To whom it may concern:

The Somerset-Union Soil Conservation District has reviewed the revised plan for the above referenced project and finds the plan remains certified in accordance with the N.J. Soil Erosion and Sediment Control Act, Chapter 251, 1975 as stated in our letter dated January 25, 2022.

This approval is limited to the soil erosion and sedimentation controls specified in this plan. It is not authorization to engage in the proposed land use unless such use has been previously approved by the municipality or other controlling agency.

If there are any questions, please feel free to call our office.

Very truly yours,
SOMERSET-UNION S.C.D.
